Things people are saying about my past work

THE YOUNG AGENCY

"Brian Cramer is a dream. We couldn't have asked for a nicer person or a better photographer! He interacted with our clients / models in a warm, professional manner and was a calming influence throughout the day. He is a pleasure to have around and couldn't be more accommodating. He made himself available whenever we asked and documented our whole event. You're getting a real treasure if you use Brian for your event. We can't say enough good things about him, his and the results!"

PLAYBOY GOLF

"Brian and his assistant were so cool and normal and fun to have around on that day, they actually relaxed me. I felt like they were my buddies and we had so much fun shooting our pictures. Also, the pictures came out amazingly and I've had nothing but major compliments on them."

CAMP SOURING EAGLE

"We would recommend Brian Cramer to any charity we had high expectations of Brian because he came highly recommended. We were still very impressed by the work he did. But thanks to Brian

THE W HOTEL

"We loved Brian! Not only has everyone been raving about the amazing pictures he took, but what a great guy he was to work with. Brian and his team were extremely professional and very calming for our event. With Brian we not only got the important shots but unique artistic ones as well."

SCOTTSDALE 20/30 CLUB

"Not only is Brian Cramer incredibly talented, entertaining, hilarious and sweet, he's good looking & honest too! Ha! He makes you feel at ease and natural the day of a golf tournament which I know many of you know. It's like he's not even there because you're so comfortable around him. Pictures of your life, your perfect day, your story. Brian Cramer took so many amazing pictures at my event. I will use him next year."

Phoenix Children's Hospital

Brian was the photographer for my (perfect!) wedding day in August 2011. From when we first booked through to the final produced album he was brilliant. Several people commented on the day at how professional and friendly he was, he made people feel completely at ease. The quantity, variety and quality of the photos themselves far surpassed what I could have hoped for. He perfectly captured our day and I have and would recommend his services without hesitation.

Brian is great! Fun, relaxed, experimental and very talented. His communication was excellent and we organized our shoot very quickly and efficiently. He is a genuinely lovely guy and just loves photography; it's clear in his enthusiasm whilst shooting and in his work, which is constantly improving.

Thanks for a great day Dave D

Seriously great photographer

Seriously great photographer puts you at your ease and comes up with some seriously amazing ideas. Definitely would recommend him, I am so happy with the photos and given that it was such short notice, he was brilliant about coming up with ideas and telling me the ideas he wanted. Fabulous shoot!

Brian

Always great seeing you and I LOVE the pictures you took, amazing as always. You are always so "in it" with my action shots and somehow manage to grab the best perspective without letting me run over you. Not sure how you do it. You are, and have always been a consummate professional and fantastic at what you do. Great job at Beach Ball Lemonade Soirée and see you at one of several events over the next few weeks. You are always at all of my best events and capture the best shot. Great job!
