RE: Letter of reference for Brian Cramer

To Whom It May Concern:

I have known Brian for the past two years and have worked with him closely on several Rock Me Arizona Events & Productions. Additionally, I've personally enjoyed working with Brian on various exciting occasions, including charity fundraisers, fashion shows, corporate parties and business expos. He is always professional and eager to help in any way possible.

Among his photographic talents, Brian has helped make valuable business connections with his generous personality and "willing to help" attitude.

With his positive work ethic, photographic talent and creativity, Brian is an asset on many levels. I would highly recommend putting him on your team.

Sincerely,

Jennifer Jackson
