

Arizona Foothills Magazine

I am pleased to provide a letter of recommendation for Mr. Brian Cramer. In my 20 years as a magazine editor I have rarely encountered a photographer who has such range, such skill, and such an understanding of people that he brings out the very best in his subjects. Add to this talent he warm, genuine personality and you have a photographer who I can thoroughly recommend to anyone seeking high quality editorial images or ordinary folks wanting their special moment captured for eternity.
